UI/UX DESIGN

PROFILE

UI/UX designer with 4 years of industry experience. Proficient in design tools like Figma and Adobe Creative Suite, with an understanding of the design process from user research to prototyping and testing. As User Experience Lead at Avniverse, Inc., earned a 95% client satisfaction score and played a key role in shaping the design vision of products and services. Looking for a role where I can apply my skills and experience to create innovative, user-friendly products.

SKILLS

- UX design principles and methodologies.
- Wireframing and prototyping.
- User research and testing.
- Creative problem-solving and critical thinking.
- Design tools such as Figma and Adobe Suite.
- HTML, CSS, and JavaScript.

WORK EXPERIENCE

2024 -
PRESENT

UI/UX DESIGNER | MOPHETH SYSTEMS CORP.

- Collaborating with cross-functional teams to gather and understand user requirements, ensuring alignment with project goals.
- Designing and prototyping intuitive user interfaces to enhance user experiences.
- Conducting usability testing and refining layouts based on user feedback to address issues.
- Creating visually appealing designs aligned with brand standards and staying updated with emerging design trends and tools.
- Managing multiple projects and adapting to dynamic priorities to meet deadlines effectively.

WORK EXPERIENCE (CONTINUED)

2022 - 2024

USER EXPERIENCE LEAD | AVNIVERSE, INC.

- Key role in launching the Beta product, a payment system to streamline payment processes between users and vendors, improving transaction efficiency by 30%.
- Addressed issues such as slow transactions, fraudulent transfers, and limited offline payment options, resulting in enhanced user experience and system security.
- Conducted user research, designed, prototyped, and developed a solution within a 2-month period.

EDUCATION

2020 - 2024

BACHELOR OF SCIENCE IN COMPUTER SCIENCE | CHRISLAND UNIVERSITY

- First Class Honors in Computer Science.
- Best Final Year Project Award.
- Best Graduating Student in Computer Engineering within the Computer Science department at Chrisland University.
- Most Outstanding Student Award in Natural and Applied Sciences (Chrisland University, 2020.)
- Vice President (2023/2024), General Secretary (2022/2023), Assistant General Secretary (2021/2022) NACOS Chrisland University Chapter
- Head of Team Building, Committee of Tech and Innovation.
- Student Mentor, UX Design Club, NACOS, Chrisland University.

ACCOMPLISHMENTS

- Earned Google UX Certificate.
- NIIT- Programming & Development.

INTERESTS

- Working with design systems and toolkits.
- Advancing feature areas within existing product architectures.
- Iterating design with data & research input, feedback from peers, product group, and leadership.

REFERENCE

- Available upon request.
